ROOF RESTORATIONS WARRANTY

Client Name:.....

Address:.....

Date of Application of Coating:.....

Roof Revival endorses the Acryloc Roof Paints guarantee for Roofcote and Supacool products. The coating will be free from defects for a period of ten years from the date of application of the coating.

Acryloc Building Products provides a material replacement warranty against bubbling, peeling or flaking of the full ROOFCOTETM SUPACOOOL® System.

All coating work carried out by Roof Revival is covered by Acrylocs manufacturer's replacement warranty. This protects you against lifting, peeling or flaking of the Roofcote system for a period of 10 years for CRC and 15 years for Supacool.

The Company guarantees the coating will be applied strictly in accordance with the manufacturer's specifications. This guarantee covers any defects relating to workmanship.

Roof Revival does not warranty any roof leaks or previously painted roofs.

The Company warrants that any defects which appear in the coating within the first five years after the date of application of the coating will be repaired, made good or replaced at the discretion of the Company and at no cost to the homeowner.

The above guarantees and warranties do not extend to any claim for damage, leaks or defects caused by structural or substrate faults, plumbing defects, building or roof design defects, acts of God, the growth of moss, lichen or fungus, objects being placed or falling on the roof or as the result of human activity on the roof or interference to the roof or coatings by persons other than those authorised by the Company.

The guarantees and warranties do not cover damage which in the opinion of the Company has been caused by misuse, abuse, neglect, lack of reasonable maintenance or accidental damage. We will not cover any damage done by other trades.

This guarantee is given in good faith upon completion of the work commissioned and extends only to clients who have upheld their contractual obligations regarding full payment for work carried out.
